∞ INFINITY®
FOILS, INCORPORATED
A UEI® GROUP COMPANY

Foil Shade/Grade Comparison

infinityfoils.com

Your online resource for quality stamping foils, decorative glitter and makeready supplies at a significant savings.

Infinity® Foils, Inc. offers a wide range of grades and shades for our hot, cold and digital foils.

Each foil grade is carefully formulated and rigorously tested for its intended application, to ensure the highest performance and reliability. Shades are consistently blended for uniformity across our grade lines. As applications change and arise, Infinity® Foils, Inc. will continue with our trusted products and new grade and shade solutions.
