

Statement on EU Chemicals Regulation (REACH)

Scope: PCM Stamping Foil

1. Applicable Legislation

Regulation (EC) 1907/2006 concerning the Registration, Evaluation, Authorization and restriction of Chemicals (REACH).

As of 1st June 2007 'substances' (chemicals) manufactured in or imported into the EU in excess of one ton per year must be registered with the European Chemicals Agency.

2. Product Status

Infinity[®] Foils, Inc. confirms the following:

Stamping foils are 'Articles' according to the definition under REACH legislation and as such do not need to be registered.

Our foil products do not contain any substances on the ECHA Candidates list of Substances of Very High Concern (SVHC) (last updated on 27th June 2024) in a concentration above 0.1% (w/w).

3. Communication

Infinity[®] Foils, Inc. will freely communicate with customers and suppliers to ensure that all parties have the 'downstream' information necessary to complete their chemical safety assessments (or reports) and thereby ensure process controls effectively manage the risks associated with all identified exposure scenarios.
